Max and Rex research dinosaurs at the D-Lab, where a ________ time-traveling device has just been completed – the dinoshot. This ________ device can transcend time and bring dinosaurs to life! Max and Rex are ________: now they can research dinosaurs without the constraints of time. Little do they know what's actually in store for them – a prehistoric adventure of ________ proportions. ________ after this break-through, the nefarious Alpha Gang breaks into the ________ (place) and ________ the dinoshot. They use it to summon a ________ beast from the distant past – a fearsome Tyrannosaurus rex. Peculiarly, the dinosaur issues a plea: "Please stop me." Turns out, the dinosaurs are actually calling out to the boys for help. They need to escape the clutches of the Alpha Gang, who have plans to dominate the ________ by harnessing the power of the dinosaurs. It's up to Max and Rex to save the dinosaurs – and the world as we know it!

LET THE MAIL BEGIN!

Hi, I'm Johnny DC, your guide to all things comic and cartoonish! I hope you enjoyed seeing CHOWDER for the first time in CARTOON NETWORK BLOCK PARTY. Write and tell me how you like him or send a drawing (or a recipe)!

Meanwhile, here's big news with a riddle. (Hint – you know the answer if you've been reading CARTOON NETWORK ACTION PACK.) What do you get when you cross two scientists with a giant lizard, a gorilla cat, a flying dinosaur and an 11-year-old boy? Answer: The Secret Saturdays! The Saturdays are a family of scientific explorers dedicated to protecting the secret artifacts and monsters of the world.

But whether they're exploring ancient Aztec ruins or the depths of the Marianas Trench, sometimes their biggest struggle is dealing with the everyday squabbles of being a family. Which isn't always easy for a kid like Zak Saturday – especially when his brother is a seven-foot, hairy gorilla-cat named Fiskerton. Yikes! Check out the premiere of this action-packed series, coming this fall on Cartoon Network!

THE SECRET SATURDAYS

Dear Blossom,

I just want to tell you that I like you the most. Don't tell Buttercup and Bubbles. They might get mad. You sometimes get mad, but I like you the best. Plus, I think you are a great fighter. Hope you have fun on your new adventure!

Samantha Bohlen
Ontario, California

No problem. The Girls are a little competitive, but one letter naming one of them as a favorite probably won't upset anyone. Of course, a second letter for Blossom might make Bubbles cry and start Buttercup breaking things, but let's just hope that doesn't happen.

Dear Johnny DC,

As a huge fan of Mojo Jojo, I would like to see one-page stories starring the fabulous simian . and even other Cartoon Network characters. How about TV show take-offs on fine cuisine ("Cooking with Mojo Jojo") and life style ("Gracious Living with Fuzzy Lumpkins")? You could cover home safety issues without ignoring humor. Ook ook! I need MORE Mojo Jojo.
